

## 18 – Is she really going out with him

Pretty women out walkin' with gorillas down my street  
From my window I'm starin' while my coffee goes cold  
Look over there  
(Where?)  
There!  
There's a lady that I used to know  
She's married now or engaged or somethin', so I'm told.

Is she really going out with him?  
Is she really gonna take him home tonight?  
Is she really going out with him?  
Cause if my eyes don't deceive me  
There's something going wrong around here.

Tonight's the night when I go to all the parties down my street  
I wash my hair and I kid myself I look really smooth  
Look over there  
(Where?)  
There!  
Here comes Jeannie with her new boyfriend  
They say that looks don't count for much and so there goes your proof.

Is she really going out with him?  
Is she really gonna take him home tonight?  
Is she really going out with him?  
Cause if my eyes don't deceive me  
There's something going wrong around here.

But if looks could kill  
There's a man there who's marked down as dead  
Cause I had my fill  
Listen you take your hands from her head  
I get so mean around this scene  
Hey, baby!

Is she really going out with him?  
Is she really gonna take him home tonight?  
Is she really going out with him?  
Cause if my eyes don't deceive me  
There's something going wrong around here.

Something going wrong around here.  
Something going wrong around – here.
