

## L12 – Like a rolling stone

G

Once upon a time, you dressed so fine,  
Threw the bums a dime, in your prime, didn't you?  
People call, say "Beware, doll, you're bound to fall."  
You thought they were all kiddin' you.  
You used to laugh about everybody that was hangin' out,  
But now you don't talk so loud, now you don't seem so proud,  
About havin' to be scroungin' your next meal.

How does it feel? How does it feel?  
To be on your own, with no direction home.  
A complete unknown, like a rollin' stone.

You've gone to the finest schools, alright, Miss Lovely,  
But you know you only used to get juiced in it.  
You never had to live out on the street,  
But now you're gonna have to get used to it.  
You said you'd never compromise with the Mystery Tramp but now you realize  
He's not selling any alibis, as you stare into the vacuum of his eyes  
And he says, "Do you want to make a deal?"

You never turned around to see the frowns  
On the jugglers and the clowns when they all did tricks for you.  
Never understood that it ain't no good.  
You shouldn't let other people get your kicks for you.  
You used to ride on the chrome horse with your diplomat  
Who carried on his shoulders a Siamese cat.  
Ain't it hard when you discover that he really wasn't where it's at  
After he took from you everything he could steal.

Princess on the steeple and all the pretty people  
They're all drinkin', thinkin' that they've got it made.  
Exchanging all kinds of precious gifts,  
You'd better lift your diamond ring, you'd better pawn it babe.  
You used to be so amused at Napoleon in rags and the language that he used  
Go to him now he calls you you can't refuse when you got nothin' you got nothin' to lose  
Your invisible now you've got no secrets to conceal.
