

## L2 – Let's stick together

G

And now the marriage vow is very sacred  
The man has put us together now  
You ought to make it stick together  
Come on, come on, let's stick together  
You know we made a vow not to leave one another never.

But now you never miss your water 'til your well runs dry  
Come on now baby give our love a try  
Let's stick together, c'mon c'mon let's stick together  
You know we made a vow not to leave one another never

*Instrumentaal*

Well if you're stuck for a while consider our child  
How can it be happy without its ma and pa  
Lets stick together, cmon cmon let's stick together  
You know we made a vow not to leave one another never
