

## M4 – Mr. Rock N Roll

D

So-called Mr Rock 'n roll is dancing on his own again  
Talking on his phone again, to someone who tells him that his  
balance is low, he's got nowhere to go  
He's on his own again

Rock chick of the century is acting like she used to be  
Dancing like there's no one there, before she never seemed to care  
Now she wouldn't dare  
It's so rock and roll, to be 'lone

And they'll meet one day, far away  
And say "Hey, I wish I was something more"  
And they'll meet one day, far away  
And say "Hey I wish I knew you, I wish I knew you before"

Mrs. Black and White, she's never seen a shade of grey  
Always something on her mind, every single day  
But now she's lost her way  
And where does she go from here

Mr. Multicultural sees all that one could see  
He's living through for someone very different to me  
But now he wants to be free  
Free so he can see

He says "I wish I knew you, I wish I met you  
When time was still on my side"  
She'll say " I wish I knew you, I wish I loved you  
Before I was so bright"

And so they must depart, too many more a broken heart  
But I've seen that all before, in TV, books and film and more  
And there's a happy ending  
Every single day
