

## M5 – Moondance

Well, it's a marvelous night for a moondance  
with the stars up above in your eyes.  
A fantabulous night to make romance  
'neath the cover of october skies.  
And all the leaves on the trees are falling  
to the sound of the breezes that blow.  
And I'm trying to please to the calling  
of your heart-strings that play soft and low.  
And all the night's magic seems to whisper and hush;  
and all the soft moonlight seems to shine in your blush.  
Can I just have one a'more moondance with you, my love.  
Can I just make some more romance with a-you, my love.

Well, I wanna make love to you tonight,  
I can't wait 'til the morning has come.  
And I know that the time is just right,  
and straight into my arms you will run.  
And when you come my heart will be waiting,  
to make sure that you're never alone.  
There and then all my dreams will come true, dear,  
there and then I will make you my own.  
And every time I touch you, you just tremble inside;  
and I know how much you want me that you can't hide.  
Can I just have one a'more moondance with you, my love.  
Can I just make some more romance with a-you, my love.

One more moondance with you in the moonlight, on a magic night.  
La, la, la, la in the moonlight, on a magic night.  
Can't I just have one more dance with you my love.
