

## S6 – Still got the blues

Used to be so easy  
to give my heart away  
But I've found out the hard way  
there's a price you have to pay  
I found that love  
was no friend of mine  
I should have known  
time after time

So long, it was so long ago  
but I've still got the blues for you

Used to be so easy  
to fall in love again  
But I've found out the hard way  
it's a road that leads to pain  
I've found out that love  
was more than just a game  
you play on to win  
but you lose just the same

So long, it was so long ago  
but I've still got the blues for you

So many years  
since I've seen your face  
but here in my heart  
there's an empty space  
where you used to be

### *Instrumentaal*

So long, it was so long ago  
but I've still got the blues for you

Though the days come and go  
there's one thing I know  
I've still got the blues for you
