

T3 – Take it easy

G

Well I've been runnin down the road
tryin to losen my load
I've got 7 women on my mind
4 the one who hold me
2 the one who stole me
1 says she's a friend of mine

Take it easy, take it easy.
Don't let the sound of your own wheels drive you crazy.
Lighten up while you still can,
don't even try to understand
just find a place to make your stand and take it easy.

Well I've been standin on a corner
in Windslow Arizona
it's such a fine sight to see
it's a girl my lord
in a flat big ford
slowin down and take a look at me

Come on baby, don't say maybe
I gotta know if your sweet love is gonna save me
we may lose and we may win
though we will never be here again
so open up, I'm climbing in, so take it easy.

(Instrumentaal)

Well I've been runnin down a road
tryin to losen my load
got a world of trouble on my mind
lookin for a lover,
who won't blow my cover
she's so hard to find.

Take it easy, take it easy.
Don't let the sound of your own wheels make you crazy.
Come on baby,
don't say maybe
I gotta know if your sweet love is gonna save me.

Ooohooo....

We gotta... easy... - we oughtta take easy....
