

## Y1 – The young ones

The young ones darling we're the young ones  
and the young ones shouldn't be afraid  
to live long while the flame is strong  
'cos we're may not be the young ones very long.

Tomorrow why wait until tomorrow  
'cos tomorrow sometimes never comes  
so love me there's assort to be sung  
and the best time is to singing while we're young.

Once in ev'ry life time  
comes and love like this  
oh I need you  
you need me  
oh my darling can't you see.

Young dreams should be dreamed together  
and the young hearts shouldn't be afraid  
and some day when the years are flown  
darling then we'll teach the young ones of our own.
